## 3. NON-COMPLIANCE / WARNINGS

| Rule & Issue                                            | Severity | Audit Explanation & Corrective Action                                                                                                                                                                                                                                                     |
|---------------------------------------------------------|----------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| [UNVERIFIABLE] Rule 10 / Minimum Font Millimeter Height | MINOR    | Unverifiable: Font height could not be measured because no calibration card or package bounding box was detected in frame. (Action: Increase letter and numeral font height to meet the minimum statutory height (e.g. min 2.0 mm for PDP area > 100 cm²) based on package surface area.) |
| [FAIL] FSSAI Reg 2.1 / 14-Digit License & Logo          | CRITICAL | Fail: 14-digit FSSAI License/Registration number is missing from the label. (Action: Obtain and declare a valid 14-digit FSSAI license/registration number with the official FSSAI logo on the Principal Display Panel.)                                                                  |
| [FAIL] FSSAI Reg 2.2 / Nutritional Information Table    | MAJOR    | Fail: Nutrition table is incomplete. Missing mandatory declarations: Energy, Protein, Carbohydrates, Total Fat. (Action: Include a structured Nutritional Information table declaring all 8 mandatory nutrients per 100g/100ml and per serving.)                                          |
| [FAIL] FSSAI Reg 2.4 / Descending Ingredients Order     | MINOR    | Fail: List of Ingredients declaration is missing from the packaging. (Action: List all ingredients in strictly descending order of incoming weight/volume, ensuring declared percentages descend monotonically.)                                                                          |
| +2 more                                                 | -        | +2 additional minor/unverifiable rule checks recorded in online log.                                                                                                                                                                                                                      |

## 4. OVERALL ASSESSMENT

|                            |                                                                                                                                                |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| REQUIRES VERIFICATION      | Statutory Compliance: 76% (19/25 Rules Passed)<br>Packaging compliance rate is 76%. Contains 1 item(s) requiring manual physical verification. |
